Re: New List Prices and Multipliers - Utility Fittings and Accessories

Dear NAPAC Customers,

Due to the rising costs in all aspects of our business, NAPAC, Incorporated will be publishing new List Price Sheets for all our Utility Fittings, Accessories and Fabricator products. These changes will become effective on January 8, 2018 (*Price Sheet PL-0118-WW*).

The new multipliers will be forthcoming later this month.

The New List Price Sheets will be available for downloading from our website (www.napacinc.com.) no later than December 18, 2017. The file will be located under the "NAPAC News Section" of our Home Page.

Any job quoted prior to January 5, 2018 will be honored through March 1, 2018 provided orders placed for immediate release have been received on or prior to March 1, 2018. Any annual municipal contracts currently serviced by NAPAC will be shipped per the terms and conditions of the agreement.

On behalf of everyone at NAPAC, we thank you for your continued support and we look forward to providing you and your customers with the quality service and products you have come to expect from us during the coming year and beyond.

Regards,

Brian Wilbur
Vice President/General Manager
