Re: New Price List – AWWA Fittings

After a careful review of our costs of raw materials, freight, labor and the currency fluctuations relative to our lines of AWWA C153 Mechanical Joint, AWWA C110 Flange Fittings, Fabricated products and accessories, NAPAC is announcing a new List Price Sheet for these products effective January 14, 2019. (PL-0119-AWWA).

The Price List will be available on our website December 21, 2018.

As of this time, List Prices on our UNITED Brand of Mechanical Joint and Flanged Fittings are the only changes being made to our pricing. Please continue to use your current multiplier structures for these products as well.

We are reserving the right to change multipliers if the additional Section 301 Tariffs are implemented by the U.S. Government later this year.

If there are any questions, please feel free to contact your local Manufacturer's Representative or our Sales Department at sales@napacinc.com or 800-807-2215.

We appreciate your understanding and thank you for your continued support and business.
