Re: Addendum to Price Increase - Effective Date May 5, 2008

Based upon recent developments in the marketplace, NAPAC, Incorporated **will not be publishing new List Price Sheets for Utility Fittings** (*Mechanical Joint, Push-on Joint and Ductile Iron Flanged*), as indicated in our April 14, 2008 letter.

In lieu of publishing new Utility Fitting Prices Sheets, NAPAC will be **raising multipliers 10 multiplier points**.

In addition, NAPAC, Inc will be publishing new List Prices for the following lines:

- Flange Accessories
- Fabricator Products
- AWWA Gate Valves, Swing Check Valves & Hydrants
- Redi-Flange Flange Adapters & Bell Restraints

The effective date for the changes will still be **May 5, 2008**.

The new pricing will apply to all orders received on or after **May 5, 2008**. The new List Price Sheets will be available on our website by May 2, 2008 and **will not be mailed**. If you are unable to access the Price Sheet through our website, please contact us or your local Sales Representative. We have also attached a Revised Table of Contents to help you organize your Price Sheets.

Please contact your Local Manufacturer's Representative or NAPAC directly if you have any further questions.

On behalf of everyone at NAPAC, we thank you for your continued support.

Regards,
